

The Seven Realities of Experiencing God
7 – *We Experience God!*

Dr. Danny Davis/ Mount Hermon Baptist Church/ November 8, 2009

So far, we have considered the fact that...

1. God works
2. God pursues
3. God invites
4. God speaks
5. We trust
6. We adjust

Today, we come to the 7th and final reality: We experience God!

1. We adjust our lives to God in order to obey God.
2. Obedience is the outward expression of our love for God. John 14:21, 23-24
3. When we obey God, He works through us to accomplish His purposes (and He receives the glory). Exodus 7:1-6; 8:16-19; 14:1-25
4. As God works through us, we come to see Him more clearly and know Him more intimately (i.e., we experience God.) Exodus 3:12; 15:1-21
5. God is far more concerned about us experiencing Him in a personal love relationship than He is about us simply doing something for Him. Mark 12:30
 - God doesn't need anything from us.
 - We need God. John 15:5
