2 – Egypt: An “Out of Place” Place
Matthew 2:13-15

Dr. Danny Davis/ Mount Hermon Baptist Church/ December 27, 2009

Egypt is a place where people go when they originally intended to go somewhere else.

1. **Egypt is sometimes a common sense destination for God’s people.**
 - Conventional “wisdom” and the will of God do not always coincide.
 - We need God’s wisdom to know when to ride out the storm or when to step away from the fray.

2. **Egypt is an interim place for God’s people.**
 - It is a place of waiting
 - It is a place of perspective
 - It is a place of progress and growth

3. **Egypt can be a place of potential distraction for God’s people.**
 - Egypt has a purpose, so make the most of it while you’re there.
 - Egypt is a temporary address, not a permanent residence.
